Registration deadlines for DORA, NIS2 and specialist law

the framework, agreed benchmark and the effect to be tested before the first run.

Calculate the basic periods for the same event from the respective knowledge, classification and transmission times. Run DORA and national paths in separate sheets.

Legal entity, service and audit period

Specify the identifier, status, period and responsible body.

Confirm Concern and Classification

Link the same event identifier to service, jurisdiction, knowledge and each path of confirmed classification.

Check shipping times and steps

Capture actual shipping times. Use the last relevant intermediate message or the national No. 2 message matching the path.

Confirm calendar and transmission

Check work calendar, exception and progress reference if necessary. Link the decision to the relevant reporting channel.

Registration deadlines for DORA, NIS2 and specialist law

The completed case shows how the target, observation and follow-up are related.

N11 · The dispatch of the DORA initial message sets the 72-hour reference for the intermediate message. In the TKund MSP thread determines the knowledge of the significant incident the 72 hours. N12 adds EnWG and critical water system.

Test question Should or Compare Observation Decision	
DORA First shipment and classification separately	Initial report sent on 18 November at 13:00 UTC. The 72-hour baseline expires on 21 November at 13:00 UTC.
TKG knowledge of the significant incident	18.11, 07:45 UTC 72-hour basic time to 21.11, 07:45 UTC
BSIG message No 2 as monthly reference	Check shipping at 20.11. Basic monthly value 20.12.

Which result is passed

Time and supply chains per legal entity and reporting obligation. Each reporting stage has its own time reference.

Comparison with your own process

What is the acceptance or result of your actual data?

Registration deadlines for DORA, NIS2 and specialist law

Confirm the observations and place a specific order for open points.

1 DORA

Criteria and agreed target value observation and clear evidence

2 TKG

Criteria and agreed target value observation and clear evidence

3 BSIG

Criteria and agreed target value observation and clear evidence

Evaluation and open findings

Decision, deviation from the target and the performance concerned.

Follow-up and release

Enter the responsible body, due date, re-certificate and release if necessary.
