Telecommunications and technical reporting

the framework, agreed benchmark and the effect to be tested before the first run.

Calculate the German TK category for confirmed values and run your own reporting calendar for § 168 TKG with progress and completion reference.

Legal entity, service and audit period

Specify the identifier, status, period and responsible body.

Confirm public service

Merge actual power, operator and size values from a verified calculation.

Documenting relevance and recipients

Keep track of confirmed impacts, knowledge and official technical procedures per reporting level.

Check the right monthly reference

Use the dispatch to No. 2 and the editing status on the monthly reference date. Document the possible new completion from the end of the processing.

Telecommunications and technical reporting

The completed case shows how the target, observation and follow-up are related.

N05 · 49 employees, 11 million euros in turnover and 10 million euros in balance sheet total result in an important institution. 50 employees lead to the most important category. The TKG follow-up report of 14 November determines the first monthly limit

Test question Should or Compare Observation Decision			
Category 50 employees or both financial assets above EUR 10 million		49 employees, 11 million turnover, 10 million balance sheet total	Important setup in the example
Reporting route Publicly accessible service concerned		Sending the follow-up message to 14.11.	Monthly base value 14.12. separately check
Current incident	Determine the end of processing separately	Ongoing at the monthly reference date, completion of processing 20.12.	Document progress and new closure limit

Which result is passed

Category proof for the public service and verifiable timeline of transmissions to Bundesnetzagentur and BSI.

Comparison with your own process

What is the acceptance or result of your actual data?

Telecommunications and technical reporting

Confirm the observations and place a specific order for open points.

1 category

Criteria and agreed target value observation and clear evidence

2 Reporting route

Criteria and agreed target value observation and clear evidence

3 Current incident

Criteria and agreed target value observation and clear evidence

Evaluation and open findings

Decision, deviation from the target and the performance concerned.

Follow-up and release

Enter the responsible body, due date, re-certificate and release if necessary.
